9.3. ATNS will be regarded as a Private Body if the record requested, relates to the exercise of a power or the performance of a function of a Private Body. Employee related matters will fall under this category.

9.4. All requests for access to information relating to ATNS as a Public Body will be dealt with in terms of Section 11 of the Act. Any other unregulated Services will be dealt with in terms of Section 50 of the Act as this relates to record of ATNS in a capacity as Private Body.

10 PROCEDURE FOR REQUESTING ACCESS TO INFORMATION

10.1. The requester must fill in a prescribed Form 2 and forward a request to the Information Officer. The requester must indicate whether the request is for a copy of the record or inspection of the relevant record. These forms can be obtained on the Regulator's website at <https://www.justice.gov.za/inforeg>

10.2. If the requester requests access in a particular form, access will be granted in such a manner in which the request was made, unless doing so will interfere unreasonably with the running of **ATNS**, if it will infringe on copyright not owned by **ATNS** or if it will cause damage to the record.

10.3. If, in addition to a written reply to the request for the record, the requester wants to be informed telephonically, this must be indicated on the application form.

10.4. If the requester is requesting access on behalf of another person, the capacity in which the requester is making the request must be indicated.

11 CONSIDERING THE REQUEST

11.1. Subject to the provisions of the Act, access to records requested from ATNS will only be given if the following conditions are met:

- Access to the requested record/s is not refused in terms of any ground for refusal set out **PAIA**.

The grounds of refusal are and includes mandatory protection of:

- commercial and **confidential** information of a third party;
- **personal information of a third party**;
- certain confidential information;
- safety of individuals, and protection of property;
- records privileged from production in legal proceedings;
- economic interests and financial welfare of the Republic and commercial activities of public bodies;
- research information of a third party, and protection of research information of a public body; or
- certain information regarding the operations of public bodies.

11.2. ATNS may also refuse requests that are manifestly frivolous or vexatious or that will lead to a substantial and unreasonable diversion of resources.

- 11.3. Records requested for the purpose of criminal or civil proceedings are excluded from the ambit of PAIA if they are requested after the commencement of those proceedings and the production of, or access to, the record is provided for in any other law. Any record obtained in contravention of the exclusion is not admissible as evidence in the proceeding unless the court is of the opinion that the exclusion of the record would be detrimental to the interests of justice.
- 11.4. In terms of the International Civil Aviation Organisation (“ICAO”) Annex 13, paragraph 8.3, certain records cannot be disclosed and ATNS will take that into account when a request is made. ICAO Annex 13 Paragraph 8.3, states as follows:
- the State conducting the investigation of an accident or incident shall not make the following records available for purposes other than accident or incident investigation, unless the appropriate authority for the administration of justice in that State determines that their disclosure outweighs the adverse domestic and international impact such action may have on that or any future investigations;
 - all statements taken from persons by the investigation authorities in the course of their investigation;
 - all communications between persons having been involved in the operation of the aircraft;

- 12.3 A required prescribed fee is payable for any request if the requester is not requesting a record containing his personal information. The Deputy Information Officer, or duly authorised person, will notify the requester before processing the request to pay the prescribed fee.
- 12.4 The request fee payable to public bodies is as set out in Annexure A, payable on submission of each application. This amount is not refundable. “Annexure A” is accessible from the Government Notice R187 dated 15 February 2002 PART II (Fees in respect of Public Bodies).
- 12.5 After the Deputy Information Officer has made a decision on the request, the requester will be notified of such request and a further access fee must be paid for the search, preparation, reproduction and for any time that has exceeded the prescribed hours to search and prepare the record.

- assist the requester to make the request to the appropriate body; or
 - transfer the request to the correct body - whichever will result in the request being dealt with earlier.
- 13.2 Despite the election to either transfer the request or assist the requester to make the request to the appropriate body, a mandatory obligation to transfer a request is placed on the

Information Officer of ATNS to transfer the request as soon as reasonably possible, but within 14 (fourteen) days of the request being received, where:

- the record requested is in the possession of another public body;
- the subject matter of the requested record is more closely connected with the functions of another public body; or
- the record contains commercial information in which another public body has a greater commercial interest.
