The objective of this bid is to appoint a suitable UPS system service provider that can provide assurance to ATNS Management in discharging its responsibilities regarding UPS systems. The bidder must demonstrate the capability to perform effective servicing, maintenance and testing of UPS systems in accordance with all legal, statutory and manufacturer requirements.

Scope of Servicing, Maintenance & Repairs to UPS systems

The successful service provider will be required to perform the following services:

- Development of the risk based three year rolling plan for servicing, maintenance & testing of UPS at the following sites;
  
- Services including but not limited to the following
  - Check and record Battery capacity on arrival.
  - Check and record Battery capacity under load, REPLACE if required.
  - Check AC and DC fans, REPLACE if required
  - Check rectifier for correct operation, REPLACE if required.
  - Check DC caps, REPLACE if required.
  - Clean and dust inside and outside.
  - Check signage and instructions for switch on/off procedure, REPLACE if required.
  - Check signage and instructions for wrap around bypass, REPLACE if required.
  
- Execution and maintenance of the UPS service plan;
- Annual compliance audits;
- Attendance and reporting to the ATNS FACT Management on an annual basis any significant findings identified.
- Transfer skill to the ATNS in-house staff during maintenance and Annual Training (2-3 days on site)
- The performance of any other ADHOC requirement requested by management on quotation basis.
- Scheduled replacement of batteries according to design life and condition. Battery replacement will be quoted for by contractor separate to fixed maintenance cost.
- Replacement of DC Caps, AC and DC fans and rectifiers will be quoted for by the

contractor separate to the fixed maintenance cost.

In describing the understanding of work to be done, the potential service provider will:

- Explain their approaches to performing UPS system service, including audit methodology, nature, timing and extent of approaches to be followed;
- Demonstrate experience and expertise of UPS system service and compliance with applicable laws and regulations;
- Provide details of the core team;
- Maintain the core team throughout the duration of the contract.

All UPS service reports and working papers shall remain the property of ATNS.

In carrying out the work, the successful service provider must ensure that staff will obtain and maintain ACSA permanent permits for access to airside.

The contractor shall perform any other duties related to UPS maintenance on quotation bases as and when requested by ATNS management.

**1. Documentation and Control**

Documentation to be generated as part of the contract shall be the responsibility of the contractor.

Inspections will be carried out by the ATNS representative in order to ensure that the works is carried out to satisfaction and in line with the Work Specification and the method statement provided by the Tenderer and accepted by ATNS.

**a. SAFETY (IF SUPPLIER IS GOING TO WORK AT THE AIRPORT)**

On appointment the successful tenderer must submit a SHE file complying with the latest amendment of the Occupational Health and Safety Act and Regulations. The contractor will only be issued with a site access certificate once his SHE file has been approved and accepted by ATNS. It is therefore of utmost importance that the SHE files gets approved before any delivery to site is considered, to prevent unnecessary delays and standing time at the Airport entrance gate.

Minimum site SHE file requirements (also refer to OHS Act and Regulations):

- Site specific risk assessment
- Site specific method statement
- Waste Management Plan
- Valid medical certificate of fitness for all employees on site, issued by an occupational health practitioner
- Environmental Method Statement
- Proof of Competency for the duly appointed competent staff on site
- Records of the health and safety induction training pertaining to the site
- ID copies for employees on site
- The PPE register for the site essential PPE, i.e., life jackets, safety harness, etc., issued to employees on site
- Letter of good standing with the Department of Labour in terms of the Compensation fund
- Any other certificates relevant to the site and activities to be carried out

The successful tenderer will be responsible for the site to be in a safe and tidy condition throughout the refurbishment period. Site inspection will be done from time to time and if not

in a tidy and safe condition, it must be restored immediately to the satisfaction of ATNS representative. The ATNS representative may order the contractor to stop all work, until such time as, in his opinion, this condition has been observed.

**b. ACCOMMODATION**

No accommodation camp can be set up at the sites; the Contractor must make his/her own arrangements for staff accommodation, should that be required.

**ANNEXURE B: PRICING SCHEDULE.**

This section provides the tenderer with guidelines and requirements regarding the completion of the Price Schedule.

Bidders must submit valid B-BBEE Certificates, requested declarations, utility statements and any other supporting information that may be required to claim ATNS specific goals.

This RFQ will be evaluated according to the above on ATNS specific goals. Failure to submit supporting documents may result to a bidder being allocated zero (0) points. Bidders are required to claim ATNS specific goals in the provided **SBD 6.1** attached.

**CONTRACT TERMS**

Whilst ATNS have taken every reasonable step to ensure the accuracy of this brief, the Company accepts no liability in relation to the accuracy of any representations made. Tenderer should accept that their tender response is on the basis and reliance of its own judgment and information. ATNS reserves the right to vary the scope and terms as described in this document. If any variation does take place tenderer will be advised as soon as possible in writing.

The successful tenderer will be engaged subject to acceptance of a contract containing the standard Terms and Conditions as given. The contract contains standard clauses including a retention clause for non-satisfactory completion, breach of contract and confidentiality clauses and a requirement for the tenderer to have adequate professional indemnity insurance. All

Tenderers must bear in mind that if circumstances dictate, ATNS reserves its right to withdraw from any commitments that will be entered into within this statement of work.

All designs and documentation submitted by the tenderer will be treated as confidential.

**ATNS reserves the right to reject, withdraw or cancel any or all Proposals/Tenders, to undertake discussions with one or more Tenderers and to accept that tender or modified tender which in its sole judgment, will be most advantageous to the Company, price and other evaluation factors having been considered.**

- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

#### 1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the **80/20** preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
<b>PRICE</b>	80
<b>SPECIFIC GOALS</b>	20
<b>Total points for Price and SPECIFIC GOALS</b>	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

**2. DEFINITIONS**

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

**4. POINTS AWARDED FOR SPECIFIC GOALS**

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
  - (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
  - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

**Table 1: Specific goals for the tender and points claimed are indicated per the table below.**

**Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)**
